refresh

Refresh and revive

Eco.Fresh® is a complete range of guest amenity essentials designed to cater for all personal needs.

This comprehensive range allows the option to select the right size and packaging to suit your specific needs.

Refresh and revive while you cleanse with an invigorating citrus fragrant sensation. Liquids and soaps have been formulated with essential ingredients to maintain moisture for clean and healthy skin and hair.

Eco.fresh® proudly presented as another Concept Amenities
ERP (Environmentally Responsible Product)

Celebrating Over 25 Years of Excellence

At Concept Amenities we pride ourselves on being a world leader in the supply of amenities that deliver on quality, luxury and style. We are proud to celebrate our 25th anniversary and have established expertise in all areas from design and formulation through to production, dispatch and delivery.

Environmental Philosophy

We are continually searching for the latest in innovative materials and manufacturing processes that seek to minimise harm against our environment.

Our commitment to environmental research stems from our belief that we can make a solid contribution to the improvement towards environmentally friendly consumer products.

As part of our environmental philosophy, we share a commitment to protecting the animal world. We ensure that all of our products are never tested on animals.
